Terms & Conditions

1. All Weekly programs include minimum 12 hours of Instruction Time per week.
 2. Career Training Program has 40 hours of weekly self study, homework assignments & coding expectation from students on top of the instruction time.
 3. Students will be provided with a certification of Completion on successfully completing the course.
 4. There are no makeup classes, future study credit or cash returns for classes missed by students.
 5. It will take a successful student, on an average, another 6 weeks after the completion of the course to be ready for interviews & job market.
 6. Students not clearing tests are allowed to keep trying, till they do so, in order to secure a completion certificate.
 7. Career Training Program Students are allowed to sit in a class again, if availability permits, at no further charge as long as they don't get a job after the completion of their course.
 8. Interview Prep for Career Training Program students is included at no extra charge.
 9. Career Training Program Students are given test projects after the completion of their course at no extra charge. The student instructor interaction is limited, at request and mostly remote.
 10. Students and companies pay Go-Live Labs in accordance with a separate payment agreement that must be signed by both parties before the commencement of training.
 11. Submission of this form does not guarantee the applicant a place in the designated course or program.
 12. Enrollment confirmation will be communicated to each attendee or their manager, incase of corporate sponsored training, by either e-mail or phone along with start date.
 13. Should an attendee wish to cancel, they must to do so in writing before the start of their 1st class.
 14. Weekly Training Programs are only presented if there are 5 or more participants. Full refund is given if the course is not started within 30 calendar days of the scheduled start date notified to paid candidates.
